SETTLEMENT APPROVAL NOTICE

Important Legal Notice of Class Action Settlement and How to Claim

If you were a former, current, or prospective Audi Canada customer before June 2021, and/or if you received a notice from Audi Canada in or around June 2021 informing you that your personal information may have been compromised in a data incident, your rights are affected by a Quebec class action Settlement.

(Sciscente v. Audi Canada Inc., 500-06-001152-210)

A class action was brought following an alleged data breach of personal information in relation to clients or potential clients of Audi Canada Inc. (“**Audi**”) (the « **Incident** »). The Incident occurred between August 2019 and May 2021, and Audi sent letters or emails to certain affected clients or prospective clients in or around June 2021.

The Class Action and the Settlement

A class action lawsuit was authorized in Quebec against Audi on August 1, 2022, in furtherance to the Incident (the “**Class Action**”). By way of the Class Action, Plaintiff Sciscente is alleging that the personal and financial information of Audi customers or prospective clients was compromised.

Although Audi denies any wrongdoing or liability, a Settlement was reached with the Plaintiff for the resolution of all claims pertaining to the Class Action (the “**Settlement**”), which Settlement was approved by the Superior Court of Quebec (the “**Court**”) on **May 20th, 2025**. To fully settle and release the Class Action and all claims related to the Incident, Audi has agreed to pay an amount of CAD \$240,000 into a Settlement fund, and agreed to also pay all costs and expenses required to implement the Settlement.

The settlement has now been **approved by the Court** whereby all claims in relation the Incident have been definitively settled.

A full copy of the Settlement Agreement is available on the Settlement Website at <https://AudiPrivacySettlementQC.ca/>, or by contacting the Settlement Administrator at the address below.

You are a Settlement Class Member and bound by the Court approved Settlement if you did not opt out of the Class Action and if:
